

I am an avid listener of radio station K-LOVE. There are only a few radio stations that can be received in my area that provide true family friendly Christian content on the air. There are several that make the claim, but fall short of my standards. K-LOVE is the only station that holds fast to scripture while also providing Christian music that is appealing to my taste. I urge you consider carefully the petition before you. There is nothing of value on the TV and even the so called family movies are filled with adult innuendos and sugar coated smut. Christians who truly seek to honor God in their entertainment choices have few remaining sources to draw from. Please don't take my radio station away.
